join the dots . . .

A new community for the creative industries.

01. *what's it all about?*

WE'RE CREATING A NEW COMMUNITY FOR THE CREATIVE INDUSTRIES WHICH WILL BE DEDICATED TO:

- Allowing creative people to meet and share ideas.
- Creating a vibrant on-line community where we can post work, ideas, and challenge all members to take part in different activities and initiatives.
- Meeting up as a group every now and then.
- Combining our ideas, skills and talents to create something amazing.

THERE IS... NO JOINING FEE. NO FEEDING OF EGOS. NO NEGATIVITY. NO LIMITS TO WHAT WE CAN ACHIEVE. WE ARE... LOOKING TO CREATE SOMETHING INTERESTING AND ACHIEVE THINGS ALONG THE WAY

02. *Why were doing it:*

WE DON'T THINK THAT THERE IS CURRENTLY A GOOD NETWORKING GROUP THAT BRINGS ALL DISCIPLINES OF THE CREATIVE INDUSTRIES TOGETHER.

Scotland has always been renowned as a creative nation and we feel there is lots of scope for collaboration between different people and organisations to push the industry forward.

Basically we want to try to establish an informal network that will bring people together to share ideas and create new initiatives. As new members join the group we will further define the objectives and outcomes that we want to achieve.

This will not be focussed around formal dinners and awards ceremonies, but will be a fun and interesting way to meet new likeminded people and see where it goes from there.

WHO'S IDEA IS IT?

DOTDOTDOT IS AN IDEA CONCEIVED BY CRAIG LAVERTY AND GRAEME MCGOWAN WHO BOTH WORK WITHIN THE CREATIVE INDUSTRIES. THEY WANTED TO CREATE A GROUP WHERE LIKEMINDED CREATIVE PEOPLE CAN MEET, SHARE IDEAS AND DO STUFF.

03. *What do we want you to do?*

INITIALLY ALL WE WANT FROM YOU IS SOME VERBAL SUPPORT FOR THE INITIATIVE AND TO TELL OTHER PEOPLE ABOUT IT AND ENCOURAGE THEM TO JOIN UP THROUGH THE WEBSITE.

When we have enough interest in the initiative we will hold an initial informal event to get people together and get interested members to join the steering committee.

At this stage we are contacting some of the main companies and people within the creative industries to get their support. When we have sufficient supporters we will issue a press release and gain coverage.

We are putting up a simple website at www.allthedots.co.uk where people can register their interest and join up.
